NEW PRODUCT OFFERING ENGINE COMPONENT SALES

The Aero Maintenance Group (AMG) is pleased to announce that Air-Pro, LLC has an extensive consignment inventory of engine material for sale from Air France Industries and KLM Engineering and Maintenance.

This inventory consists of parts and components for CFM56-3/5A/5B/5C, CF6-80, and CF6-50 engines. All material will include industry standard traceability documentation.

We look forward to receiving your inquiries and providing quotations to support your requirements.
